FROM THE DESK OF CHARGE D'AFFAIRS

Dear Delegates,

As the Charge D'Affairs for the Blue Bells International Model United Nations (BBIMUN),

I am excited to welcome you to a monumental milestone—the 10th edition of our esteemed conference. Since our inception in 2016, BBIMUN has been more than just a conference; it has been a catalyst for change, fostering a global community of curious and compassionate leaders through dynamic committees and impactful debates.

Our theme this year, "Blue Bells stands for integrated preservation of indigenous cultures in the wake of global interdependence," resonates deeply with the challenges and opportunities of our time. We are committed to supporting a new generation of leaders who respect cultural heritage while embracing the possibilities of global cooperation. This edition is about taking meaningful action to harmonize cultural preservation with the necessities of a connected world.

This is your opportunity to become changemakers—to push boundaries and craft solutions that can redefine the global narrative. BBIMUN'25 serves as your platform to innovate and build partnerships that cross borders, advocating for a legacy of sustainable global interdependence.

BBIMUN is more than an event; it's a movement. We are harnessing the collective power of young minds to forge a future where cultural preservation and global cooperation are the twin pillars of a harmonious world.

Together, let's create a future where collaborative multilateralism and cultural preservation form the foundation of our global community. Join us in this transformative journey and let's make a lasting impact.

With great anticipation,

ADOPT FISCAL AND SOCIAL POLICIES
THAT PROMOTE EQUALITY

FROM THE DESK OF THE SECRETARIAT

*"One voice can whisper truth,
but many voices can roar
revolution."*

Dear Delegates,

In today's interconnected world, our responsibility isn't just to innovate—but to preserve identity. At BBIMUN'25, we proudly present our theme: "Preserving Indigenous Cultures in an Interdependent World." It is a reminder that cultural heritage is not a relic of the past, but a compass for the future.

From sustainable ancient practices to the oral histories of tribes, indigenous cultures hold wisdom our globalized world urgently needs—values of peace, resilience, and ecological balance.

Blue Bells Model School is honored to welcome young diplomats from across the globe. More than a conference, BBIMUN'25 is a movement—one of inclusive dialogue, mindful representation, and empathetic diplomacy.

As you walk our halls, bring not just policies, but passion. Speak for the unheard. Advocate not just with intellect, but with heart.

We're thrilled to host you.

Let the revolution of voices begin—right here, at BBIMUN'25.

The Best Delegate of each committee will also be awarded a cash prize.

BEST DELEGATION AWARD

This award will be given to the Delegation, which excels in all areas. For more information on this award, please see the section on criteria for the Best Delegation Award.

CRITERIA FOR BEST DELEGATION AWARD

The Best Delegation Award is the most prestigious award at the Blue Bells International Model United Nations Conference 2025. This award is given to the institution whose students have excelled in the Conference and displayed skills appropriate to their roles as representatives of nations and portfolios. This performance has been validated by the Executive Boards of respective committees through the awards in each committee, which form one part of the judgment criteria for the Best Delegation Award.

PARAMETERS OF JUDGMENT

There shall be three parameters discussed below. Examples are given to help you understand the same. Any queries can be clarified with the Senior Advisor over email. These parameters are:

1. Definition of a Delegation and its minimum requirements
2. Contribution of the Delegation to the Conference through their participation
3. Committee Awards

COMMITTEE AWARDS

Every Committee at BBIMUN 2025 will have ONE Best Delegate Award.

Each Delegation has the opportunity to earn the following points for each award their members gain individually-

- Best Delegate Award FIVE (5) POINTS
- High Commendation Award THREE (3) POINTS
- Special Mention Award ONE (1) POINT

TOTAL NUMBER OF DELEGATES PARTICIPATING:

Each Committee at BBIMUN 2025 will have its own Executive Board and separate Judgment Criteria for judging committee awards. The number of awards in each committee will be communicated to all the participants on the first day of the conference. Every Delegate has an equal opportunity to win according to the nature of the Judgment Criteria, which take into account both subjective as well as objective assessment.

Even if a Delegation has more than one participant in the same committee, it will not give them an unfair chance of winning an individual committee award as everyone will be subjected to the same criteria, and the Best Delegate and other awardees shall be chosen accordingly by the Executive Board.

A Delegation with a larger number of participants might increase the opportunity of winning an individual award in each committee, however, this does not form the criterion in the judgment of the Best Delegation Award in itself. In case a Delegation has multiple individual awards, the collective score (as per the criteria stated previously) will contribute positively to their chances of winning the Best Delegation Award.

CONTRIBUTION OF THE DELEGATION TO THE CONFERENCE THROUGH THEIR PARTICIPATION

The contribution of the Delegation shall be calculated in the following way:

- Presence in Four out of Nine conventional committees is mandatory for a Delegation wishing to be eligible for this award. This presence is irrespective of the number of Delegates the Delegation has in that committee as long as there is a minimum of one delegate per committee in three out of five conventional committees. Each Delegation fulfilling these criteria shall be given ONE point.
- Presence in unconventional committees - Each Delegation shall earn ONE point per specialized committee they are present in. This is irrespective of the number of Delegates the Delegation has in that committee as long as there is a minimum of one delegate per committee in three out of six specialized committees.
- Hence, the maximum number of points that a Delegation can score in this criterion is $1+7 = 8$ Points.

CONTRIBUTION OF THE DELEGATION TO THE CONFERENCE THROUGH THEIR PARTICIPATION

- One Teacher and One Delegate shall head each Delegation, names of whom should be sent to the BBIMUN Secretariat with the School Registration form.
- If a school feels that its Delegates are not skilled or experienced enough to perform well in unconventional committees, the school may be allowed to replace their seats in unconventional committees with seats in conventional committees.
- If there are any unregistered Delegates from a school or there are dues pending relating to the Registration Fees by the School, that Delegation will not be eligible for the Award.
- Schools should take into account a student's dedication and interest in the type of committee, while registering them. This ensures a sustained interest throughout the preparation process, which is integral to a good performance.
